 - b) "Municipal Fire Fighting Unit" shall mean i) the fire departments of any of these municipalities, whether owned alone or jointly; ii) any other fire fighting unit called into the municipality by any of the above corporations; and/or iii) any volunteers who have come to the aid of the above fire fighting units;
 - c) "Fight Fire" shall include, but not be limited to scouting an area, actually fighting fire, and doing fire prevention work;
2. Municipal Fire Fighting Units shall be authorized to enter into and fight fires in other municipalities as listed in this agreement;
3. For the purposes of this agreement only, if any Regional Park or any Saskatchewan Provincial Park has a written fire protection agreement with any of the above municipalities, they shall be treated as a part of that municipality;
