ARE YOU....

- Enrolled in Grade 12 for the 2021-2022 school year?
- Planning on studying at a post secondary school in the fall of 2022? You can be studying out of province if the course is not offered in Saskatchewan

HAVE YOU....

Completed the last two years of high school in Saskatchewan?

DO YOU.....

- Have a farming background and live in a rural area?
- Have parents/guardians who own/rent land and pay taxes to a Rural Municipality?

If you answered "YES" to all of the questions above, please

- Complete an application form. Write an essay on either:
 1. *The importance of Safety and Health on Our Farm*
 2. *Safety and Health Hazards on Our Farm*

E-MAIL YOUR APPLICATION & ESSAY

(CHECK INSTRUCTIONS BEFORE SUBMITTING)

- TO: sueli.bizetto@usask.ca
- BY: **JANUARY 14, 2022** before midnight (CST).

SCHOLARSHIP'S HISTORY

In 1995, SARM auctioned off the first copy of its history book, "The Building of a Province: Commemorating the 90th Anniversary of the Saskatchewan Association of Rural Municipalities." This auction netted the sum of \$2,600 which the SARM Board of Directors contributed to the Canadian Centre for Health and Safety in Agriculture (CCHSA).

These funds initiated the Saskatchewan Association of Rural Municipalities 90th Anniversary \$1,000 Student Scholarship in Agricultural Safety and Rural Health.

The National Partners Fund at CCHSA maintains the scholarship.

GENERAL CONDITIONS GOVERNING AWARD

1. The winner will be announced in March and will be asked to attend the SARM convention to accept the award.
2. Two \$1500 scholarships will be awarded to the students who submits the best farm safety essay accompanied by a completed application form.
3. These awards are contingent upon the recipient proceeding to their first year of post secondary education in Saskatchewan. The student can be attending school outside of the province if the courses they want to take are not offered in Saskatchewan.
4. Students who misrepresent themselves will be eliminated from the essay competition.

Are you interested in hosting
a farm safety education
demonstration in your school?

Discovery Days

**You Choose if you would like the presentation to be
Virtual or In Person!!**

Discovery Days is a highly successful farm safety presentation delivered by representatives from the Agricultural Health and Safety Network. This opportunity is free to schools who operate within RMs that hold a membership with the Agricultural Health and Safety Network.

Discovery Days are tailored for children in grades 4-6 who are immersed in agriculture at home or in their community. During each event, children are guided through fun and interactive farm safety activities. We can host these presentation through Webex, Zoom or Microsoft teams or we will travel to your school.

These activities include, but are not limited to, animal safety, chemical safety, hazard identification, grain safety, and machinery safety. Students participating in Discovery Days are asked to complete optional Questionnaires prior to and after the presentation to help us evaluate the effectiveness of this program.

Please contact Shelly for more information or to book your virtual or in person Discovery Day.

Phone: (306) 966-6644 (leave a message and I will get back to you)
